

## **Dugdale Cleaning Ltd (trading as QCleaning Stockport)**

### **Charitable Donations**

We are proud supporters of a local charity, When You Wish Upon a Star. This is a local charity with a simple mission; to grant the Wishes of Children living with a life threatening illness. The simple mission transforms the lives of children and their families across the UK as they believe that every child deserves to smile and with our support, we can provide various treats and breaks in order to transport them away from the traumas they are facing every day.

We intend to donate, promote and share the story of When You Wish Upon a Star to my customers and beyond to 'give something back' to these children and families in times of uncertainty and often financial difficulties.

Each quarter we intend to donate a portion of all takings from our carpet cleaning services. We will do this by transferring money via Bacs to the suggested bank account.

Dugdale Cleaning Ltd will then receive confirmation of each donation along with a certificate of thanks.

All monies donated will be declared to our accountant at the end of our financial year.
